

Homework -Sycamore Autumn 2

Please bring in for our Gallery Day on Monday 18th December

<p><i>Create a poster to explain three ways that someone can reduce their carbon footprint.</i></p>	<p><i>Bake a cake where you oversee the measuring scales. Take photos of the measuring you do, and your finished cake!</i></p>	<p><i>Write a poem using similes, metaphors and repetition.</i></p>
<p><i>Create a word search using words from any of our topics this term.</i></p> 	<p><i>Visit a prehistoric landmark, such as White Horse Hill, Stonehenge or a hill fort.</i></p> <p><i>Write some facts and share some photos about what you learn.</i></p>	<p><i>Plan and make a healthy meal. We'd love to see photos and a diary of what you must do and organise for this to be a success!</i></p>
<p><i>Create an interesting representation of your family tree.</i></p> 	<p><i>Use a search engine and Microsoft Word to make an A4 page fact file about the Bronze Age. You could include maps, pictures and a timeline featuring important dates and events.</i></p>	<p><i>Make a creative 2D or 3D map of our local area. How will you represent geographical and human features?</i></p>
