

# Homework – Sycamore Autumn 1

Please choose and complete at least 4 of the activities. Gallery Day is on **Thursday 23<sup>rd</sup> October**.

Create a model of a Stone Age settlement.

Design a scavenger hunt or orienteering challenge for your family. Can you use words to describe the position and direction that they need to travel or create your own map? It would be great to see some photos!

Write a diary as if you are one of the children from the book 'Stone Age Boy'.

Create a word search using words from any of our topics this term.

Cook something using a campfire, like people would have done in the Stone Age. Write some sentences or draw pictures explaining how you stayed safe.

Find out the scientific names for at least 6 bones in the human body – can you find an interesting way to show your work?

Create a model of Stonehenge in a unique or interesting way.

Create a poster or a PowerPoint presentation sharing what you have learnt about the Stone Age.

Create some artwork based on the Lascaux Caves.
