NEWSLETTER 13 – FRIDAY 5th MAY 2023

Value of the Term: Justice

Dear Parents and Carers,

Well, that was a week –I spent the first part not entirely sure what day we were on due to the Bank holiday – but definitely know today is Friday! Ofsted’s visit was quite a surprise although obviously we were in the window for it but the whole school community were tremendous and really demonstrated how amazing this school is. Thanks to every pupil, parent, staff member and governors for their kind words and help throughout, as well as their hard work. I cannot share the outcome at this stage – this will be out either just before or just after half term. This week on Tuesday, Faye came in and took photos of not only classes and individuals but siblings too! The link to order these will be with you early next week.

A visit from the Air Ambulance this week fascinated the children and school council will be looking at further work we may be able offer to support this charity.

Our new rock bands were also formed yesterday and I think the children had a brilliant time – I was a little engaged! This has a break for one week due to SATs but returns the following!

Today we have had a wonderful Coronation Day. This afternoon, despite the changeable weather, children made and flew their kites and then we enjoyed an indoor tea party which they thoroughly enjoyed. Thank you for providing all the wonderful food items for this.

Next week Y6 will sit their SATs tests – they have worked incredibly hard towards this and are well prepared. This is of course just a snapshot of their ability and does not showcase all their wonderful talents. I know they are going to be just super!

Enjoy another extended Coronation weekend!

PE Kit request – whilst we have shared when expected PE days are, there will be other occasions, particularly in the summer term when kits are needed in school. We therefore strongly suggest PE kits are in school from Monday to Friday each week please. This will support our work in keeping children active and healthy!

Parking Now we may be experiencing some better weather there is a good number of spaces available at the rear of the Reading Rooms and their specific spaces, for pick up and drop off. This may help with the congestion around school. Thank you.
