**NEWSLETTER – 23<sup>rd</sup> MAY 2025**

**Dear Parents and Carers**

This week has been full of variety with STEM activities, PE events and of course lots of learning too in curriculum areas. We explored the value of **respect** again on Monday and thought about Peter's words: **'Show proper respect to everyone'** 1 Peter 2.17. We again reflected on how we can show respect in our everyday lives and around our school. On Monday the whole of KS2 turned to being engineers and built cars as part of a **STEM day**. Miss Davis led them through the different parts using both DT and science skills and today 6 pupils have gone to represent the school at an event organised by Silverstone Technology Cluster where they will share their cars against those from other schools! Such a fantastic experience for them. Thanks to Jake Gold and Merv Atkins for coming along to support the day on Monday. Tuesday saw a large part of the school head over to BJS for the **annual Cross Country competition**. All the children represented the school so well and demonstrated some brilliant values whilst there. Along with the support they gave each other there was also some impressive hard-fought running, resulting in many children finishing in the top 10! Well done to the team and thank you to staff who accompanied and parents who supported. On Wednesday we shared two **NSPCC assemblies** one for KS2 and one for EYFS/KS1 with key reminders about staying safe. They were reintroduced to Buddy, and it was brilliant to see that many children could recall key messages and the telephone number from before! We have representatives coming into work with year 2 and Year 5/6 after half term. It was also **Numeracy Day** on Wednesday and classes completed tasks on the theme of money. A selection of age-appropriate activities are attached for you to try at home! Thursday, we had our termly **Homework gallery** – it was lovely to again see the array of work which children enjoyed looking round. Look out for Term 6's Homework choices when we return after half term. Some **KS1 children** went to Radstone after school Thursday where they enjoyed all things athletics – even attempting the Triple Jump – well done for super representing and thanks again to staff and parents for their support. We have ended the term today with the **gem jar reward** as it overflowed on Monday! Following much discussion with pupils where they provided a host of suggestions, some actionable, others not so (!) children are heading to the park/village field, using microbits or completing art.

*Have a lovely half term break, stay safe, Kind regards, Mrs. Sarah Smith*

**Children must be in school punctually and aim to attend every day.** There is an increase in requests for early finishing, and holidays as well as pupils arriving late, and non-attendance without reason which cannot be accepted. The importance of regular full attendance must be reiterated. Appointments also need to be made around the school day. As a reminder the school day is from 8:55-3:15 with gates opening at 8:40.

**SEND COFFEE MORNING** Next session- **TUES 10<sup>th</sup> JUNE 8:45am**

**PTFA 100 CLUB!** Please see flier attached if you are interested entering the monthly draw!

**Year 5 raised £93 for Christian Aid –** Fab job! Thank you for everyone's support.

Please ensure children have a **PE kit in school at all times**. The children need a set of jogging suit bottoms and jumper (plain in colour and design) as when PE is outside, they do need an extra layer. If needed, please can it go home Friday and then brought back in each Monday. **There are still children who don't have kit in school on PE Days. Please can you help ensure children are ready for the lessons they have.**
