

# Homework – Chestnut Class – Spring 1 2026

## Complete 3 (or more!) pieces before Gallery Day on Tuesday 10<sup>th</sup> February

<p>Create a comic strip of your favourite traditional tale.</p> 	<p>Go for a walk around your local area. Take photos of different things that you see and sort these into 'human' and 'physical' features.</p>	 <p>Make a poster explaining ways to stay safe – this could be in the kitchen, in the car, within the community, around water or when using technology.</p>
<p>Choose a story with a coastal setting to read (i.e. Winnie and Wilbur at the Seaside by Valerie Thomas, The Lighthouse Keeper's Lunch by Rhonda Armitage). Draw a story map to retell the key events from the story. Write a caption for each picture that you draw.</p>	<p>Complete a piece of artwork (this can be done using any medium or can be 3D) inspired by the story of Noah's Ark.</p> 	<p>Write a maths puzzle about you using addition, subtraction and your 2-, 5-, 10- and 3-times tables (i.e. I live at house number <math>5 \times 2</math>).</p>
 <p>Research and explore a famous artist who produced artwork featuring flowers. Recreate a duplicate of one of their flower-inspired paintings.</p>	<p>Set yourself the challenge of making a waterproof shelter or structure – this could be for you or a smaller version for a toy – what materials will you use to ensure that you stay dry and to make sure that your design is strong and stable? Test it out and evaluate your design.</p>	<p>Play a game such as 'Bingo' to become confident with one of the following: doubling, halving, adding or subtracting 10s from any number.</p>
