END OF TERM 2 NEWSLETTER

Dear Parents and Carers,

What a fun-filled Christmas week we have had – one that I hope has provided the children with some wonderful **end-of-term memories**. Our **Christmas lunch** from Fresh Start on Tuesday was very successful. All the children made Christmas hats and were treated to crackers, creating a lovely festive atmosphere. This was followed by Maple and Sycamore making Christingles in preparation for one of my favourite occasions – the **Christingle service** at church. The children truly excelled, delivering their lines confidently, singing beautifully, and creating a magical moment as the lights were dimmed and the Christingles were lit while Away in a Manger was sung.

I am always amazed by the huge array of Christmas jumpers, and Wednesday was no exception! The **Homework Gallery** was once again filled with an impressive range of creative work, including family trees, rockets, ships in bottles, maps, fact files and symmetrical patterns, to name just a few. We then welcomed members of our village community for our **community tea**, where residents were served refreshments and treated to singing from the pupils. This was highly praised and a real joy to see.

Thursday was a tale of two halves, beginning with the **Rock Steady concert** in the morning, which showcased some brilliant musical talent, followed by our end-of-term **church service** with communion in the afternoon, reminding us of the key messages of this special time of year. Last night, the choir were once again excellent as they performed at **Evenley** for the annual Christmas tree singing event.

Today we concluded the term with our traditional **Santa Run** this morning – perhaps better described this year as a mud run! This afternoon, the children enjoyed **glow-in-the-dark dodgeball** at the village hall. Phew! Is anyone ready for a holiday? Today we also announced the total amount raised from the **child enterprise event** – an incredible sum. A huge well done to everyone involved; I am truly amazed.

Finally, I would like to wish **Mrs Tite** all the very best as she leaves Croughton and embarks on her next chapter, teaching KS2 pupils and focusing on her passion for maths. I am sure you will all join me in thanking her for everything she has given to the school over the past seven years and wishing her every success.

Thank you as always for your continued support, wishing you all a fabulous Christmas Break and every success for 2026. Kind regards, Mrs. Sarah Smith
