

Chestnut Class - Homework Grid - Autumn Term 2 2023

You must complete at least 3 activities this term and bring in your work either for our display table or our Gallery Day on Monday 18th December.

 <p>In art we will explore the work of significant still life artists. Choose a number of objects from your home, thinking about colour, form and shape and sketch out your own composition. Don't forget to think about foreground and background.</p>	<p>We will be looking at different sources of food and food preparation in DT. Now that the colder months are upon us, could you help a member of your family prepare a warming meal. Why not include some pulses or root vegetables?</p> 	<p>Last term we practised using our bodies as a percussion instrument. I wonder, can you design and make your own percussion instrument to be used during this term's music lessons?</p> 
 <p>Write a short story that could be adapted into a television advert for Christmas.</p>	<p>Go for a nature walk around your home and write down the names of objects you see for each letter of the alphabet. (ie, a - apple tree, b - bark). Use your neatest handwriting.</p> 	 <p>This term, we will be looking at the habitats and what a habitat needs to provide. I wonder, can you make a mini habitat for small insects that we could use in our outdoor area?</p>
 <p>Last term in RE, we learnt all about the Good News of Jesus. I wonder, could you write a poem using all of the values that Jesus shared with us? Remember that poems don't need to rhyme.</p>	<p>Create a Christmas themed board game.</p>  <p>Teach your friends and family how to play it.</p>	<p>In geography, we will be exploring sustainability in the world today. Could you design a poster</p>  <p>emphasising the importance of maintaining the Earth's environment for future generations?</p>

Please also complete your weekly tasks which will be sent home every Friday to be completed by following Thursday
