

# Homework – Sycamore Autumn 2

Complete 4 pieces before Gallery Day on **Wednesday 17th December** - I can't wait to see your creations!

<p>Create a quiz using words from any of our topics this term, e.g. Hindu Dharma, the human skeleton, prehistory in Britain, or a healthy, balanced diet.</p>	<p>Write a poem about winter using similes, metaphors and repetition/a repeated refrain.</p> 	<p>Demonstrate your new knowledge and understanding of human muscles, bones and joints. Can you do this in a creative way?</p>
<p>Make a poster to explain a good way to help someone learn and remember the 12 times table. It could be a rap, a song, or finding the pattern.</p> 	<p>Visit a prehistoric landmark, such as the Rollright Stones, Stonehenge or an Iron Age hill fort.</p> <p>Share some photos or sketches and write some facts about what you learn.</p>	<p>Plan and make a healthy meal. Take photos and write a brief diary showing what steps you had to take.</p> 
<p>Create an interesting representation of your family tree.</p> 	<p>Use a search engine and Microsoft Word to make an A4 page fact file about the Bronze Age. You could include maps, pictures and a timeline featuring important dates and events.</p>	<p>Make a creative 2D or 3D map of our local area. How will you represent geographical and human features?</p>
