Value of the Term: Justice

Dear Parents and Carers,

I hope you managed to enjoy some Coronation activities last weekend - it was certainly a grand royal affair.

This week has seen the Year 6's excel at having to show great determination and resilience as they sit their Statutory Tests. They have done remarkably well and as you may have seen in the press, they weren't easy papers! The tests have now been sent away for marking and results will be with us in July. The whole school have also been really supportive in the administration of the tests as well as Governors and volunteers helping in adjudicating them – thank you all. The year 6's this afternoon enjoyed celebrating the end of this period for them.

We next see our Year 2's sitting some statutory tests. Whilst not so formal in nature they are still an important part of Year 2 and we know the children will do a superb job over the next two weeks.

We have continued to explore the Christian value of Justice this week and think about spreading love equally. It is fascinating to hear the views of our school community discuss various aspects as part of our daily worship. Children also learnt about the annual singing competition - Eurovision this week and discussed the importance of whether we think music has a positive impact on the world.

Enjoy your weekend!

Mrs. Sarah Smith

PE Kit request – whilst we have shared when expected PE days are, there will be other occasions, particularly in the summer term when kits are needed in school. We therefore strongly suggest PE kits are in school from Monday to Friday each week please. This will support our work in keeping children active and healthy!
