

## **Maple Spring Term 1 2026 Homework Grid**

Maple class, please choose and complete at least 4 of the activities from the grid below. Then, bring these and display your work during our Gallery Day on Tuesday 10<sup>th</sup> February.

I can't wait to see what you create!

From: Mr Skears

<p>Create a glossary booklet for the following words: Arable farming, allotment, commercial farming, floriculture, market garden.</p>	<p>Use the BBC Food and Good Food websites to find out which foods are in season in the UK throughout the year. Can you display this in a 3D way?</p>	<p>This still life painting, called <i>Basket of Fruit</i>, is by the artist Michelangelo Merisi da Caravaggio. Collect and arrange a selection of seasonal produce, then create a still life drawing or painting of your arrangement.</p> 
<p>Draw a food chain or web for a garden or allotment habitat. Could you use photographs to help you?</p>	<p>Can you create your own seasonal soup at home using food that is available during this time of the year?  Send me a photograph via email or bring some in for me taste!</p>	<p>Use Google Earth to look at the areas where pastoral, arable and mixed farming occur. What do you notice about the geographical features in the areas where each type of farming takes place? Create a fact file on one of these types of farming.</p>
<p>Can you create a life cycle of a human being? Can you make it on PowerPoint or 3D?</p>	<p>Make me an informative poster on Pablo Picasso and his famous pieces of art work. Which one is your favourite? Why?</p>	<p>What are the five main climate zones? Pick one and make it using a shoebox!</p>
