

OAK CLASS

homework grid

YOU MUST CHOOSE AND COMPLETE AT LEAST 2 ACTIVITIES AND BRING IN YOUR WORK ON OUR GALLERY DAY ON MONDAY 13TH JULY.

BOARD GAMES

Play a board game which involves using dice. Each time it is your turn, roll two dice and add together the total number of dots on the two dice. Can you spot when you roll a double? Can you say some of the totals without counting?

HOLIDAYS

Look at some photos from a past holiday (it could be in this country or somewhere further afield). Talk with your family about how you travelled and what activities you did. Ask an adult to write down some of the things you discussed.

GLOBES

Explore the wonders of papier-mache and create a model of Earth. Once your model is dry, paint the oceans and continents on your creation!

See Mrs Mills if you would like a craft instruction sheet for this task!

AFRICAN ANIMALS

Draw a picture of your favourite safari animal. Then use a range of different media such as tissue paper, newspaper, pens etc to create your desired patterns!

OUR PLANET

Work together to complete one small act of kindness for the environment, such as:

- Picking up litter
- Watering plants
- Recycling items

FLOATING BOATS

Can you use junk modelling resources to create a model boat? Once you have made your model, try testing it in a paddling pool or bathtub to see if it floats!

POSTERS

Create a poster encouraging others to look after our planet. These could be displayed in your house or our classroom!

Suggestions:

- Turn the lights off in a room.
- Don't litter

AROUND THE WORLD DANCE

Put on some music and create a dance inspired by a place or animals around the world.

Put your movements together to create a short dance and perform it for your family!

FACT FILES

Create a fact file for your favourite animal that walks our planet!
