**NEWSLETTER –22<sup>nd</sup> May 2026**

**Dear Parents and Carers,**

We concluded our work on the **value of service** this week by thinking about the story of the Good Samaritan and the notion of serving everyone, no matter what. We reflected on a time when we might not have served someone and considered why.

Revd George delivered a worship session this week on Pentecost.

Wednesday was a busy day, with the school buzzing at 11:30 when we took to the top playground to perform our **Dance for Diabetes**. Thank you to those children who have signed up to get sponsorship, which goes to both this very worthwhile charity and the school. Children can continue collecting sponsorship until 12th June.

We also had a very successful **Homework Gallery**, with a wide range of pieces on show demonstrating the enthusiasm of the children this term. Castles, electrical circuits, Morse code, and nature patterns were just a few of the highlights! Look out for Term 6 grids, which will be with you in the first few days back.

It was disappointing that the **cross-country event** had to be postponed; however, I have shared a new date with those in the team. Hopefully we can sort the transport situation between us all to make it work.

Please could I ask that **no fidget toys** be brought in from home unless this is a pre-agreed arrangement with us. We had a child running with a very sharp, pointy fidget item, and the child fell, which could have resulted in injury as it was very close to their face. We discourage items from home being brought in, and this does seem to have slipped. This is something we will be addressing with greater consistency as a school next term.

The **village fete** is on 20th June, and we have been invited for the choir to sing and for the school council to run a stall. There have only been four responses to the form so far—please could all choir and school council members respond, whether yes or no, so we can make alternative plans if needed.

Keep putting the blue tokens at Tesco and sharing the information to the wider community – were second last week!

Finally, I would like to **congratulate** Teddy, who has become a big brother again. We wish the family well as they adapt to life with Rafe.

*Have a lovely half term; Kind regards, Mrs. Sarah Smith*

**TESCO BLUE TOKENS** -we are one of the named blue token collections in Tesco Brackley! Please support and spread the word to help us get some extra funds for school! Thank you Mrs Worts!

**HOT Weather** Our priority is to keep children safe in the warmer weather, so we would like to remind you that all children need a hat for lunchtime; otherwise, they will need to stay in the shade. We will ensure children remain hydrated throughout the day. Children may bring sunscreen, but they must be able to apply it themselves.

**ONLINE SUPPORT** We value your support in this area and understand how tricky it is to navigate. This week's link is on **Tik Tok- Age rating 13**
