NEWSLETTER –20th March 2026

Dear Parents and Carers

What a week! With only a short term, it seems that everything has been moving at a very fast pace, and with just one week left of term, it's hard to believe Easter is just around the corner. This week in worship, we continued the theme of Peacemakers and looked at the Sermon on the Mount that Jesus gave, including the Beatitudes. These are eight blessings Jesus shared, including thinking about those who make peace. We related this back to school and heard a scenario about how difficult it can be to make the right, peaceful choice when faced with a dilemma—but how this is the correct choice to make. Thank you to Ms Hassan who led an information session with the Year 4 about the MTC in June. This provided an overview of what Year 4 children are to expect in Term 6, as well as ways to help at home. An email with the link was sent out following this to those who were unable to attend.

Wednesday was the annual VIAM extravaganza, and staff, pupils, and parents went to Wembley to enjoy the concert. Front row seats meant they had a great view of everything happening, including our very own Sophie S in the VIAM choir, on stage dancing and singing after many gruelling months of rehearsal. Well done to her on this but also thank you and well done to everyone who attended and joined in—a late night, but very worthwhile!

Thursday after school was the cluster netball tournament, and Miss Curtis oversaw the running of this for the cluster. We entered a team and a half, with some pupils joining Charlton to make an extra team. Everyone played brilliantly and really progressed their skills as they went through—great teamwork and determination throughout. Thank you to all parents involved in supporting this, as well as Mrs Fox and Ms England.

Today is Red Nose Day, and we have had a host of quiz sheets and Red Nose design sheets handed in. These will be judged by School Council, and winners announced next week. Maple are also out and about exploring Farming Life as part of the conclusion of their work on Sow Grow Farm.

As it has been assessment week, you will receive an update of data next week in a letter, as has now become part of our termly review process.

Next week is the last week of term—lots happening, so please see the diary dates above.

I hope you all have a lovely weekend,

Kind regards, Mrs. Sarah Smith
