Headteacher: Mrs Helen Goulder

Dear Parents,

Due to Covid restrictions we had to cancel our open days for parents of children starting school in September 2021. However, we have organised a virtual tour to showcase our school. The filming will take place on Thursday afternoon this coming week. Some of the filming will be staged but there will be opportunities to capture amazing learning in a more natural way in each classroom. If you have not given permission for your child's image to be used for promotional purposes your child will not be included in the video. It will be an exciting opportunity for us all to see media production close up. The production company use a drone for part of the filming to move between classrooms. The film will be edited and uploaded to our school website within two weeks and I am looking forward to sharing the finished product with you all.

WEDNESDAY NOV 11th 2020

Each class visited the memorial in the churchyard. I was extremely proud of the whole school who really embraced the serious nature of this event and their behaviour was exemplary. Members of the village praised their respectfulness. We have a long tradition of attending the event and raising much needed funds for The Royal British Legion. We will share how much we raised as soon as we get the total.

MONDAY NOV 16th SCHOOL PHOTOGRAPHS

The school photographer is back in school on Monday to take pictures of any children who were absent on Thursday. We are also having a photograph of Oak class to celebrate their first year at Croughton School and Year 6 individual pictures too. Fingers crossed for good weather!

OAK CLASS

On Monday we will be welcoming a student teacher, Miss Watson, for a work experience placement. She is based at the University of Northampton. Miss Searston will be her mentor and she will work alongside our staff in Oak class.

Future plans in the pipeline

- Removal of our amphitheatre and replanting in the bottom playground.
- Creating an outdoor learning classroom, next to the school garden, incorporating ideas from the children.
- Repairs to the tepee and peace garden
- Purchase of new sports equipment for lunchtime and PE lessons.

MAPLE CLASS CHANGES TO ARRANGEMENTS AT THE END OF THE SCHOOL DAY

From Monday, arrangements for the end of the day will change for Maple class. They will finish at 3:15 not 3:20. The arrangements for our oldest pupils now runs smoothly so they do not need the extra 5 minutes added to their day. The exit through Gate 2 has not changed.

Thank you for your support with Remembrance Day, school photographs and Children in Need this week.

Have a lovely weekend.

Kind regards

Helen Goulder
